## 天保民學校的英語教師 · Mr. Victor

為提高英語教學的質素和增加特殊學校學生 接觸英語的機會,本校自17-18學年開始,申請 教育局提供的「以英語為母語的英語教師」計劃, 以增聘英語教師。

大家認識 Mr. Victor 嗎?他就是我們天保民 學校的英語教師。Mr. Victor 來自英國曼徹斯特市 ,自小學階段便在當地讀書,完成大學課程後, 便決心來港從事教育工作。他有着多年任教幼稚 園、小學和中學課後英語班及兼職英語教師的教 學經驗,亦在教育大學修畢教育文憑課程。Mr. Victor 曾在多間主流學校任職英語教師,擁有多 年教授英語的經驗。於2017年9月, Mr. Victor 正 式加入我們這個大家庭。

■老師們的合作 使學習英語變得 有趣及互動

訪問Mr. Victor 「你享受在天保民 學校教學嗎?」

他以流利的英語回答説:

「天保民學校的同學 十分可愛、而且常在 單鈍的心去處事待人, 這是相當可害的。 」

#### 他又説:

「我曾得天保民學校的同學 在學習方面積極用心,而且 對學習英語充滿好奇和渴望, 這令我甚為感動。」

為推動學生在英語方面的學習,英語教師與英文科老師們合作無間,透過聯袂備 課及討論學生的學習進程,彼此互相配合來推動英語課程的編定和發展。校本英文科 的多元化教學策略,在課堂中加入播放英語歌曲、遊戲、互動軟件教學及機械人輔助 教學的元素,今學習變得豐富、生動和充滿趣味,而自主學習也是近年天保民學校的 重點發展項目,故自學活動亦貫穿於英語課堂中,令學生得益。

■ 同學們利用平板電腦回答英語問題

■ 利用機械人來教授方向

在正規課程以外,天保民學校的學生在歷屆香港學校朗誦節中表現優異, Mr. Victor 在午膳及課餘時間為參賽學生加強訓練,務求使學生在比賽中獲取更 佳的成績。而自2017年開始,學校在週五多元活動時段中,加入了由Mr.Victor 主持的「唱遊ABC」活動,目的是讓低年級學生有更多機會接觸英語,活動透過 英文兒歌唱遊及遊戲,讓學生學習常用的英文詞彙。另外,英語閱讀小組亦於去 年成立, Mr. Victor 每週午膳時段會為小學和中學部的高年級學生開設小組活動, 內容包括閱讀英語聖經故事及進行延續故事活動。為使參與活動的學生更投入學 習, Mr. Victor 會按學生能力去挑選故事中某些合適的情節,教授學生把段落故事 改編成布偶劇,同學在活動中除了按照劇本參與角色扮演外,亦需在事前為角色 布偶設計服飾, 在學英文之餘也能創意一番。

■ 同學們正努力為他們的布偶裝飾

語境學習是有效學習英文的方法,所以Mr. Victor 會把握小息時段,主動與同學利用英文溝通,並在午膳時段走入各個班別與同學會面交談。

Mr.Victor亦會為高年級學生進行模擬英語訪問及面試。學校禮堂常設的英文科展板,定期展示與英文有關的主題文章,讓同學在日常生活中多加閱讀。而為進一步推動學生主動學習英語,學校在一樓亦設置「Mr. Victor 信箱」,讓學生有更多渠道與Mr. Victor交流,同學可以把閱讀英文科展板後的感受、參與保民電台英文科有獎問答環節的答案、和以英語小便條形式的個人提問投入信箱,Mr. Victor 都會一一回覆呢!大家記得多多善用「Mr. Victor 信箱」,積極學好英語。

■ 同學們正認真地進行分組討論

■ 向Mr.Victor發問吧!

## Our Native English Teacher-Mr Victor

Mr Victor is from Manchester, UK. Having completed his primary, secondary and university education in the UK, he decided to come to Hong Kong to pursue a career in education. He began his career as a part-time Native English Teacher and taught different after-school programmes in various kindergartens, primary and secondary schools. During that period, he studied for a Postgraduate Diploma in Education at The University of Hong Kong. He taught in different mainstream schools that use various English curriculums before he began his career in Mary Rose School.

Mr Victor enjoys teaching students at Mary Rose School as he thinks they are lovely and innocent. Many of them still retain a pure and simple mind, which is precious and hard to find nowadays. Furthermore, he was impressed by the learning attitude of the students in this school. Many are curious and eager to learn.

■ The English Department. From left to right: Ms Kwan, Ms Ho, Ms Lam, Ms Chiu, Ms Lau and Mr Victor 英語科老師:關老師、何老師、林老師、趙老師、劉老師和 Mr Victor (由左至右)

The English teachers in Mary Rose School work collaboratively like a well-oiled machine. Each teacher's background, training and experience are unique, which enriches the school-based curriculum, the co-planning meetings and the delivery of the lessons. The English teachers meet regularly to

■ Students learn by playing games 同學們從遊戲中學習英語

phonics, the use of a robot, Kahoot quizzes and directional activities in English lessons further enhanced the students' learning. The latest element added to English this year is self-learning and thus self-learning activities are often incorporated into the lessons.

■ Students participating in self-learning activities 同學們在進行英語自學活動

discuss and evaluate their lessons and the progress of the students. The lessons are fun and enjoyable as songs, games and experiences are always incorporated. The introduction of

■ Following directions to learn directions 透過定向活動來認識方向

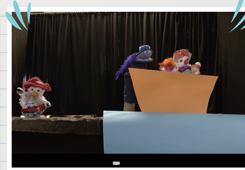

Every year, students are hand selected to enter the annual Hong Kong Speech Festival. They have achieved plausible results in the previous festivals due to the English teachers' hard work and dedication in training our students during lunchtimes, as well as the determination and diligence of our students.

The use of English in the Multi-intelligence Activities every Friday afternoon was initiated last year, which exposed students to more English. Tailored for the lower primary students, the songs and actions enable them to learn high-frequency vocabulary.

Last year, two reading clubs (one for senior primary and one for senior secondary) were introduced and held during the second half of lunchtime every Friday. Bible stories were read to the students, followed by an activity that relates to the story. In order to increase the students' participation, two stories were chosen and adapted into a puppet show. Students were given the choice to choose their character and make a puppet of it. When they were ready, they role-played the story according to the script.

■ Puppets were according to students'
understanding of the story
同學們都依照自己對故事的了解來演繹布偶

■ Even narrators have their own puppets 旁白員也有專屬的布偶

During recesses, English teachers often interact with students using English, which promotes an English speaking environment and enhances the students' English. At lunchtimes, Mr Victor would go to different classes to talk to the students. As for the students in the senior secondary school, he would conduct mock interviews with them.

To further promote an English environment in Mary Rose School, there is a display board in the school hall that is dedicated to the English Department. Teachers can post questions and articles to enrich the school's English culture and make English fun and interactive.

Mr Victor's mailbox was introduced last year, which is another way for our students to communicate with Mr Victor. Students are free to write anything to Mr Victor and he will respond. Last year, students posted questions to Mr Victor, and he answered every one of them. Students can also post their responses to the articles and questions on the English display board.

The English Department will broadcast five radios shows in MRS Radio throughout this year. The radio shows will be interactive whereby the content of the show will also be displayed on the English board. Students can respond to the show by posting their answers in Mr Victor's mailbox.
