Response to <<Parents' Opinion>>

Thank you for parents' comments and responses. In October 2017, we have received opinions from 20 parents. Some of them enquired about their child in school have been contacted directly. The following are opinions from two parents and our response to it:

Parent's Opinion	Response from School
<p>This is my child's fifth year in Mary Rose School, and seeing her being happy to be in school every day is our greatest joy. I have a little suggestion for the school:</p> <p>I can always see the beautiful artworks created by students in school through photos in the school website. I wonder if the school will consider using them to print calendars so that students may order and buy, or make stationery with the school name on it (e.g. pencil, ball pen, file, etc.) to make it more commemorative. I believe that parents will be interested to order them. The profit made can be deposited into the School Development Fund. This is only my personal suggestion, thank you for reading.</p>	<ol style="list-style-type: none">1. Thank you for appreciating our student's artworks. We shall work on discovering more ways to show the community their works and artistic talents.2. Thank you for your creative suggestion to help raise funds for the School Development Fund, we shall put great consideration to your opinion.
<p>Being nurtured from a little boy who can't behave himself into a kind and independent youth, the changes that my boy go through should undoubtedly be attributed to the effort and love the school has put into educating students.</p> <p>I would like to take the opportunity of the Mid-Autumn Festival to express my gratitude to all staff in school! Thank you for all teachers, social workers, workers, office staff and Principal Chan for your love, kindness and patience that have allowed students to grow with joy and happiness! Thank you! I am very grateful that my child was able to study in a school that is full of love.</p>	<p>Thank you for your sharing. It is our greatest joy to see students nurture and become better every day, we shall continue to do our best. With good home-school cooperation, we believe that students will be able to develop good conduct and benefit the most!</p>

In addition, 12 parents have shown their appreciation to our staff. Thank you very much for your support. We value your opinion and are always happy to hear from you.
