 - a) Full-time students who request to ride only single trip will be charged 75% of the fare.
 - b) Students who suspend their school bus service for 1 month or above will be charged 50% of the fare (for the whole year) as reservation fee.
6. If for any reason you would like to stop riding the school bus, change bus routes or ride single trip only, please notify the school as soon as possible. If the notification period is less than 1 month, bus fare for that month will be charged as compensation.
